**Where:** San Patricio County Fairgrounds 219 W. 5th Street • Sinton, TX 78387

website: <http://ckpetrus.com/spcf/spcfindex.html>

**Why:** To gain TXTEAMM certification in presenting ATV Safety Awareness in group settings to youth and adults and a hard copy manual of course and educational materials

**What:** Registration and pre-course testing begins at 8:30 AM.

ATV Safety Institute RiderCourse begins at 9AM and ends at noon

Lunch from noon to 1PM

Safety Awareness Training begins at 1PM and ends at 4:30 PM

Please be sure and bring long pants (jeans), a light weight long sleeved shirt and over the ankles shoes or boots (cowboy boots are fine). You may wish to bring outer wear according to weather. We train in misty, light rain conditions, but not in full-fledged rain.

**If you have a functional ATV that you can bring with you, PLEASE do.** If you have any of your own safety gear ie; DOT approved helmet, gloves or goggles you can bring those too. Let us know so we don't have to bring so much!

If not, we provide all this gear, but need to know about what size you head is- **please let us know your hat size- it will help us bring the correct size helmet for you.**

**YOU MUST COMPLETE the online "E" Course *prior* to the SAT and bring the printed certification of completion with you.** [www.atvsafety.org](http://www.atvsafety.org)
